**OPERATION**

Garbage disposal equipment in stainless steel. Handle and wheels for easy transport and removable lid for easy cleaning.

**MAINTENANCE AND CLEANING:**

- The product contains no electrical parts, the appliance can be immersed in water for a more efficient cleaning.

- When cleaning the appliance, do not use abrasive products which can damage it. It is recommended to use a cleaning product suitable for stainless steel.

## Warranty

- The equipment is guaranteed for a period of 12 months from the date of purchase.
- The guarantee is valid against defects of origin, whether of material or of manufacture.
- Whenever there is an anomaly in the equipment, it must be returned as soon as possible, with the purchase document.
- When the warranty is triggered, damaged parts will be repaired or replaced, as the manufacturer understands. In the event of their replacement, the damaged parts become the supplier's property.
- Any defects resulting from improper installation or use / handling of the equipment are excluded from the warranty.
- The equipment will lose its warranty whenever any change or modification or even repair made by the user is identified.
