**WORKING PRINCIPLE**

Stainless steel waste disposal equipment. Handle and wheels for easy transport and removable lid for easy cleaning.

**MAINTENANCE AND CLEANING**

- As it contains no electrical parts, the appliance can be immersed in water for more effective cleaning.

- When cleaning the appliance, do not use abrasive products which could damage it. We recommend the use of a stainless-steel cleaner.

## **WARRANTY**

- The equipment is guaranteed for a period of 12 months from the date of purchase.
- The warranty is valid against defects of origin, whether material or manufacturing.
- Whenever an anomaly is found in the equipment, it should be returned as soon as possible, enclosing the purchase document.
- When the guarantee is activated, the damaged parts will be repaired or replaced, at the manufacturer's discretion. In the event of replacement, the damaged parts shall become the supplier's property.
- Any and all faults resulting from poor installation or use/handling of the equipment are excluded from the scope of the guarantee.
- The equipment will lose the warranty whenever any alteration/modification or even repair carried out by the user is identified
